

**Incident / Investigation - Case #: 08-024797**

On Thursday August 7, 2008 I was on Bleachery Blvd. at NC 81 waiting for the traffic signal to turn green. There was a Honda stopped in front of me with no turn signal on and a car across the intersection coming from the Aldi store with no turn signal on. When the light turned green the Honda accelerated and made a sudden left turn failing to yield the right of way to the car coming from Aldi. The car across the intersection had to slow to avoid hitting the Honda. After the other car cleared the intersection and it was clear for me to proceed, I made a left turn and caught up to the Honda. I activated my lights and siren for the Honda to stop. The driver, later identified as Christopher Burgin, pulled over at Swann View Road.

I exited my patrol car and approached the passenger side of the Honda. I stated my name and agency to Burgin and told him I stopped him for failing to yield the right-of-way. I asked him for his driver's license. Burgin said his license was suspended and handed me his Identification Card. I asked Burgin for the registration which he handed me. I saw that there were two children in the car, both of which I later identified as being Burgin's sons. One was twelve years old and the other was nine years old. I asked Burgin to stay in his vehicle for his safety and mine and returned to my vehicle. I ran Burgin's license which did show suspended.

I returned to Burgin's car and asked Burgin to step out of the vehicle so I could speak with him. As Burgin got out of the car I saw a small tan rock like substance which based on my training and experience was crack cocaine. There were also some small crumbs of crack cocaine on the seat. I asked Burgin to come around to the passenger side where I was standing. I conducted a weapons frisk and asked Burgin if there were any weapons in the vehicle. Burgin said no. I asked the boys to step out of the car and asked all three of them to move towards the edge of the wood line away from the road for their safety. Officer Jonathan Brown arrived for cover. I retrieved the crack rock and the crumbs from the driver seat. I asked Burgin if he wanted to call someone with a license to drive the car and he said yes.

Minutes later his sister arrived and took custody of the children. Then another friend arrived with a valid driver's license and drove the car away. I placed Burgin in custody for possession of schedule II and Driving While License Revoked (DWLR). I did a search incident to arrest but located no other contraband. The female that drove the Honda returned to give Burgin a phone number to call. Burgin asked if she could take his wallet and I said yes. But first I searched the wallet. There was a large sum of bills in his wallet and again asked if he wanted the female to take custody of the wallet. Burgin said yes.

I transported Burgin to the Buncombe County Detention Facility and obtained a warrant for Possession of Schedule II and wrote Burgin a citation for DWLR. After the bond hearing I went to the Asheville Police Department and placed the crack rock in property for court and analysis. I also did a presumptive test of one of the crumbs which came gave positive results for cocaine.

At above time and date the victim and witness were walking from Mike's bar on Haywood when the suspect vehicle drove up. The passenger (suspect) of the vehicle then approached the victim and witness demanding money. The suspect then took a gun silver in color and shoved in the victims stomach. The victim then took his fanny pack off and gave it to the suspect. After pillaging through the fanny pack the suspect took one hundred and forty dollars (1 one hundred dollar bill and 2 twenties). He then turned to the witness and asked the same she emptied her pockets to show she did not have anything. Both the passenger and driver suspects are black males in their 20's. The passenger had a dark colored hoodie on and dark jeans. The suspect vehicle is thought to be an older 80's model. Possibly Honda or Nissan dark maroon or gold in color. No injuries reported at time of incident.

**Incident / Investigation - Case #: 08-026738**

On 08/24/2008 at approximately 01:40 officers were dispatched to a fight in progress at Club Calypsos, 8 Sweeten Creek Rd. Upon arrival officers located two subjects lying down in the street both suffering from injuries. Victim #1 had suffered from several lacerations to the head and he could not explain to officers what happened. Victim #2 obtained minor injuries, and was very upset, therefore he would not give information as to what happened.

Officers were able to locate the bouncers of the club who both witnessed the incident take place. Witnesses stated that the two victims had just walked out of the club and were crossing the street when two separate vehicles stopped in the middle of the street where the victims were crossing. One vehicle was a red Dodge Neon, and the other was a white car, possibly a Buick Lesabre but the witnesses were not able to get a tag number. Both stated that several male subjects jumped out of both cars and proceeded to beat on the two victims with their fist. Witnesses stated that there was possibly a total of 10 subjects hitting and kicking the victims. Victim #1 was transported to Mission Hospital for further treatment. Victim #2 was checked by first responders and released on scene.

No other descriptions of suspects were provided.

Forensics responded to the 8 Sweeten Creek Rd and Mission Hospital's reference photos.
