Incident / Investigation - Case #: 08-039779

Myself and Officer Rogers were conducting a special operation in public housing areas. As we were waiting on the next operation to start we decided to go through Lee Walker Heights to attempt to locate a suspect from an earlier transaction that was not apprehended. As we entered the center of the complex approximately 10 black male subjects started to approach the vehicle with their arms raised in an aggressive manner. We backed out of the center of the complex and proceeded around the loop. As we neared the area of the 10 building approximately 6 black male subjects threw bottles at the vehicle. We were both unsure if any of the bottles contacted the vehicle or not. We proceeded around the loop and as we were stopped at the stop sign to continue down the hill and out of the complex the window was broken out of our car. We immediately left the premises and called Sgt. Wilke to the scene. Once out of the complex we found a rock in the passenger side floor board of our car. We did not see any suspects that threw the rock, however when we returned to see if we could locate the subjects who threw the bottles everyone was gone inside. ID photographed the vehicle.
