

As a business man of 34 years, I've
figured
of hide
game

**It is the responsibility of
everyone of us
Commissioner's to
understand where the
money is coming from
and going to.**

**Let's look at the
numbers we've been
given**

		ADOPTED	SPENT	
93 Victoria	Purchased the building	2,600,000	2,600,000	<i>14,488 sq ft</i>
Roads & Sidewalks	Complete	1,800,000	1,800,000	
Allied Health Building	Complete	52,000,000	41,236,589	<i>169,000 sq ft</i>
PSTC Classroom Building	Complete	7,100,000	7,100,000	<i>40,000 sq ft</i>
Coman Student Center	Not Complete	2,500,000	0	<i>24,767 sq ft</i>
Enka Upfits	Property for sale	6,000,000	630,000	
Rhododendron	Torn Down	3,000,000	500,000	<i>47,000 sq ft</i>
Elm Building	Not complete	8,872,000	0	<i>69,009 sq ft</i>
TOTAL		\$83,872,000	\$53,866,589	\$30,005,411

Additions		Non-Adopted	Spent	
Parking Deck	Completed	0	15,000,000?	
Multipurpose Building	Completed	0	7,500,000?	26,000 sq ft
		0	22,500,000	249,488 sq ft

Let's see where we are at. Lets add it up.

$$\text{\$30,005,411} - \text{\$22,500,000} =$$

**But we aren't done
yet.**

		Approved	Not approved
Coman Student Center	Not started	2,500,000	
Elm Building	Not started	8,872,000	
Major Maintenance	?	0	5,747,005
		\$11,372,000	\$5,747,005

Now where are we at. Lets do the math.

\$11,372,000 (Coman + Elm - not spent yet but promised) + **\$5,747,005** =
\$17,119,005

Finally:

\$17,119,005 - **\$7,505,411** =
\$9,613,594

**But we aren't done
yet still.**

**On October 18, 2016,
\$27,000,000 for an Arts
and Science Building
was added to the
consent agenda**

\$9,613,594 + Over Budget Before Building

For Arts & Science Building

\$27,000,000 =

\$36,613,594 Over Budget After

New Building

This would be 35.5% over approved budget if we approve it.

And AB Tech still would like to have one

**These items were
hidden and we had
to seek them out.**

By hiding these big items, we as Commissioners are being kept from doing our job and the people whose money it is don't know and don't have a chance to speak out.

That's not right.

One last thing. Allied Healthcare
Building Shed

Is this worth \$50,000 or \$72,000?

Too much hide and seek. The taxpayers deserve to know what's what.

Verification of where the money is coming from.

Verification of where it's going to and what's been spent.

What was approved.

How much we have.
