Dear Sirs:

Enclosed is an Order to Submit Notice of, and to Record, an Inactive Hazardous Substance or Waste Disposal Site. This Order is being issued to you pursuant to North Carolina General Statute 130A-310.8, because you are the owner of property which has been determined by the North Carolina Department of Environment and Natural Resources to be or include an inactive hazardous substance or waste disposal site. Note that you are directed by the Order to inform the Department within thirty (30) days of receipt whether you intend to comply with the Order. In addition to recording the notice after approval of it by the Department, you should take measures to control site access and post notices at the site.

North Carolina Superfund Section files are available for inspection by appointment only. Please contact Scott Ross at (919) 733-2801 ext. 328, if you would like to schedule an appointment.

If you have questions, you may contact John Walch at (919) 733-2801, ext. 282; or me, ext. 284.

Sincerely,

Charlotte Jesneck, Head
Inactive Hazardous Sites Branch
