Western North Carolina’s source for community news, arts & culture coverage since 1994.
It's All About Community.

Since our launch in 1994, Mountain Xpress has been an active partner in growing Asheville from a sleepy, boarded-up mountain town to the booming mecca for small business, tourism, arts, culture, and innovative thought that it has become. Throughout that evolution, Xpress has been committed to covering what matters most locally and serving as a vibrant platform for the dialogue and idea exchange that keeps this community thriving.

Our Mission

To build community and strengthen democracy by serving an active, thoughtful readership at the local level — where the impact of citizen action is greatest.
